

The Genoa-Kingston Education Foundation

*"To Enhance the Educational Opportunities for Students
in the Genoa-Kingston School District"*

Dear Supporter:

The mission statement of the Genoa-Kingston Education Foundation is "to enhance educational opportunities for students in the Genoa-Kingston school district." One of the ways we accomplish this is by underwriting mini-grants submitted by teachers that will supplement their budgets. These mini-grants allow the teachers to make innovative, educational purchases for their classrooms. Through donations, sponsorships, and assistance with our events, we hope to continue to reach our goals and thus benefit all students in our district.

The Education Foundation is excited to announce the tenth annual Mouse Races on March 14, 2020. The mouse races have been enthusiastically enjoyed by everyone who has attended. We anticipate an even larger and equally lively group again this year. The foundation is seeking sponsors for this event. All sponsorships offer a great deal of visibility before, during, and after the event. We have listed below the different types of sponsorship currently available. However, if you have an original approach or special request, please feel free to contact us via our website (www.gkedfoundation.org), email us (member@gkedfoundation.org), or comment on our Facebook page (www.facebook.com/gkedfoundation).
