

GENOA-KINGSTON EDUCATION FOUNDATION

*To enhance educational opportunities for students
in the Genoa-Kingston School District*

Dear Supporter,

The mission statement of the Genoa-Kingston Education Foundation is “to enhance educational opportunities for students in the Genoa-Kingston school district.” One of the ways we accomplish this is by supplying mini-grants to teachers that supplement their budgets and allow them to make innovative, educational purchases for their classrooms. With the help of donations, contributions, and assistance with our events, we hope to continue to reach our goals and thus benefit all students in our district.

The Education Foundation is excited to announce our twelfth annual Mouse Races. In the past the Mouse Races was enthusiastically enjoyed by everyone who attended. All sponsorships offer a great deal of visibility before, during, and after the event. We have listed below available levels of sponsorship; but if you have an original idea, please feel free to contact us via our website www.gkedfoundation.org or email us at donate@gkedfoundation.org.

Level of Sponsorship:

- Mouse Sponsor—\$100 We will race up to 54 mice and every mouse needs and deserves a sponsor. Plus, it is just fun to name and cheer for your mouse!! Remember you can sponsor as a group for even more fun!
- Cheese Curd Sponsor—\$250
- Big Cheese Sponsor—\$500
- Gifts in Kind—All profits go directly toward funding the mini-grants.
